|--|--|--|---|
| Make a video of yourself reading your favorite picture book. Send the video to a family member who would love the story. | Download the app, Stack the States, and play the game to learn where the different states are in the United States. | Practice your typing for 10 min. Using any of Mrs. Perkin's keyboarding websites on her computer lab website. | Create a comic strip about something fun you did last month. Don't forget conversation bubbles. |
| Make a creation using Legos or any type of building blocks. Then write out the steps Someone would have to follow to make your creation. | Create a Schedule for your day. Write when you will start and end each activity. Write how much time you will spend on each activity. You must have at least 5 activities. | Create your own Scavenger hunt! Hide 5 things around your house. Write out clues or draw a map for Someone in your family to follow to find the items! | Get on Dreambox for at least 20 minutes and complete one lesson! |
| Grab a bag of colored candy such as Skittles or M&M's and make a graph of the number of each color in the bag. | Spend 20 minutes watching videos or playing games on: kids.nationalgeographic.com | Use your own flashcards or print out the flashcards in our 3rd folder to practice your Multiplication facts for 10 minutes. | Help a family member make dinner. Be sure to carefully read all the directions and don't forget to help clean up! |
